Laurie:

The department has reviewed the budget language provided by the Legislative Reference Bureau. It would request that the language be further amended in the following manner

20.485(1)(gk) *Institutional Operations*. The amounts in the schedule for the care of the members of the Wisconsin veterans homes under s.45.50 for the payment of stipends under s.45.50(9), for the transfer of moneys to the appropriation account under s.20.435(4)(ky) for payment of the state share of the medical assistance costs related to the provision of stipends under s.45.50(9), for the payment of assistance to indigent veterans under s.45.43 to allow them to reside at the Wisconsin Veterans Home at Union Grove, and for the transfer of moneys under s.45.03(20). Not more than 1 percent of the moneys projected to be credited to this appropriation during the affected biennium may be used for the payment of assistance to indigent veterans under s.45.43. All moneys received under par.(m) and s.45.51(7)(b) and (8) and all moneys received for the care of members under medical assistance, as defined in s.49.43(8), shall be credited to this appropriation.

The department believes the additional language will provide a better budgeting tool for the department and ensure a specific time frame for any proposed use of funds from this appropriation.
